Mr. Jimmie Crutchfield,

*Hotel Bonaire,  
San Juan, Porto Rico*

Dear Jimmie:

I have put off writing you until now. I have just learned you Boys will not be back in the States until April. I had planned to tell you in person what I have decided to write you, I do not feel it would be fair to keep you waiting until such a late date. I am giving you at this time your release, so you will be free to negotiate for a position with another Club. I hope you will be successful in making a connection where you will be satisfied.

Hope you are enjoying good health. Every one in Newark send you their regards.

Yours very truly,

AM:CCJ
